

## **Former Choctaw students in annual reunion Sat.**

Former students and teachers of Choctaw School held a reunion Saturday, May 23, at the Choctaw School Building, which is now used as Van Buren County Day Center.

Classes from 1926 through 1934 were represented and one member, Mrs. Verlina O'Dell Cope, had attended school years before 1926. She expressed her joy at being able to attend the meetings.

The first reunion was May 24 last year. Ralph Kidd served as emcee as he and Mrs. Kidd were the originators of the reunions. This year a planning committee worked with Mr. Kidd to make sure that it would be a happy

meeting and that a potluck luncheon would be served.

Seated at the head table were Mrs. Molly Hunter, Mrs. Dolly Jennings, Mrs. May Treadway and Olen McCormac. They were given special recognition.

A guest book was kept and signatures were from Kentucky, Texas, Oklahoma, California, Arizona, Mississippi, Missouri and many cities in Arkansas.

Mrs. Willie Bates Adams provided flowers and the group voiced its appreciation for the excellent cooperation of the employees of the Day Center.

It is expected that another reunion will be held next year in May with the date to be announced.

### **Choctaw reunion at its best**

One of the things done best by the former students and teachers of Choctaw School is serve a potluck lunch. This picture shows a small portion of the people present as they partook of the lunch.
